OUR PORTFOLIO

STAINLESS STEEL

- Heat resistant steel
- High-temperature resistant steel
- Corrosion resistant steel

SPECIAL MATERIALS

- Zirconium/zirconium alloys
- Magnesium alloys
- Tungsten alloys
- Iron-nickel alloys
- Special steel ETG
- Austenitic steel

HIGH-PERFORMANCE MATERIALS

- Titanium
- Nickel based alloys
- Tantalum
- Metal powder

HIGH-QUALITY ENGINEERING STEEL

- Pressure vessel steel
- Case hardening steel
- Nitriding steel
- Tempering steel
- Rolling bearing steel
- Heat resistant steel

TOOL STEEL

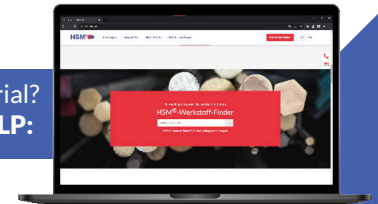

- Cold work steel
- Precision flat steel
- High speed steel
- Unalloyed steel
- Hot work steel

NON-FERROUS METALS

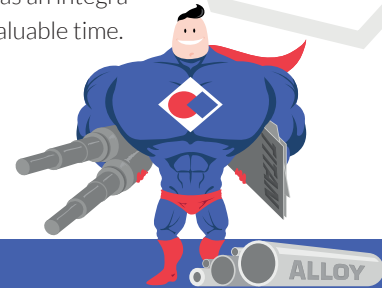

- Aluminium
- Bronze
- Copper
- Brass
- Other non ferrous metals

Are you looking for a specific material?
OUR MATERIAL FINDER CAN HELP:

www.hsm-steel.de

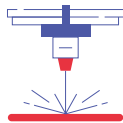

HSM® offers you comprehensive carefree packages for all your steel, metal and high-performance materials.
